SERVICE ABOVE SELF

January 2020

Editorial

2020- the start of a new year and happy new year to all our readers.

2019 was quite busy for the Rotary Club of Katherine. Chris managed to raise about \$25,000 (cash and goodwill) which enabled us to fund the building of the Katherine Men's Shed. The Men's Shed committee also raised substantial funds and now the Men's Shed is fully operational. committee raised

Santa's Grotto

We hosted Santa at the Santa's Grotto. Pamela took on the role of Mrs Clause. In the 4 days that we were there, we had over 700 children and adults – and one dog and all of them received a gift. The Christmas bags contained a bouncy ball that lit up when bounced, colouring in sheets, 3D glasses and we are so grateful to Woolies for donating \$200 worth of lollies.

We took photos of all our visitors – including Charlie (below) and we have permission to put the pictures on our website - - check out <https://www.rotarykatherine.org/>

We were serenaded on 2 days with Nola Sweetman playing carols on her violin. Thanks Nola.

Members of the public donated food and toys to our Salvation Army appeal and we took 2 trollies around to the Salvation Army office opposite 50 Cent Park.
